Mary Mackillop's reflective saying for this week is:

We must teach more by example than by word. 02.06.1867

Dear Parents and Carers,

What a week we have had! Two great events for our school community – hosting athletics with St Joseph's Millmerran and NAIDOC Celebrations with Inglewood SS, Yelarbon SS and Kindon SS. Our students shone at both events with comments about our exemplary behaviour and participation. Well done to everyone!

Throughout the term and especially this last week, **our parent support has been amazing.** Thank you all so much for every little thing or great big thing that you have done to contribute to the success of our term. We are so lucky to have your support and commitment. Amazing!

Tomorrow students are able to wear coloured clothes instead of their uniform as a reward and celebration of the completion of this term! The students have worked hard to achieve their results and we acknowledge this! There is no cost involved.

Today we presented the **age champions** from our athletics carnival. Well done to all these students but also, those who participated in every event on the day for minor places. There can only be one winner but we are all winners for having a go!

The holidays are a great time for families to enjoy doing something different but also for not having to make lunches, be at school or the bus by a certain time and sleeping in!!! I have included some ideas for holidays that children might like to do if there is 'boredom'. Holidays are a great time to break the cycle for headlice as well. Please find in the newsletter some suggestions to treating and preventing reoccurrences.

Tomorrow the report cards will be going home in sealed envelopes for you to open. If you wish to discuss anything on your child's report card, please make an appointment after the holidays to meet with their teacher.

In readiness for the Eisteddfod next term, we would like all children to have black long sleeve skivvy/shirt and black long pants. For any characterisation we will then add to this.

The holidays is a great time to get this sorted.

Under 5's tomorrow – 9 – 10. Tell everyone and come along to enjoy the activities with Miss Sly and her Prep and Year 1 students.

Lastly, but in no way the least, I would like to thank the staff for their commitment to all students and their needs, to making life better for everyone and working as a team to achieve success!

This week's reflective saying is "Life is a succession of moments. To live each one is to succeed." Corita Kent

Happy holidays.

Paula

If you don't want to be searching for these...

Suggestions to help with head lice

1. Using cheap hair conditioner and tea tree oil to treat head lice is a cheap and easy way for everyone. Simply mix a small amount of tea tree oil into palm size amount of conditioner then apply all over the hair ensuring that all hair is covered. Leave this for at least an hour before rinsing out. Repeat this as many times as you need.
2. Putting a few drops of tea tree oil into hair conditioner bottle means that this is always a part of a regular routine.

Aboriginal Thanksgiving Prayer

God of Holy Dreaming, Great Creator Spirit, from the dawn of creation you have given your children the good things of Mother Earth. You spoke and the gum tree grew. In the vast desert and the dense forest, and in the cities and at the water's edge creation sings your praise. Your presence endures at the rock at the heart of our Land. When Jesus hung on the tree you heard the cries of all your people and became one with your wounded ones: the convicts, the hunted, the dispossessed. The sunrise of your Son coloured the earth anew, and bathed it in glorious hope. In Jesus we have been reconciled to you, to each other, and to your whole creation. Lead us on, Great Spirit, as we gather from the four corners of the earth, enable us to walk together in trust from the hurt and shame of the past into the full day which has dawned in Jesus Christ. Amen.
