Mary Mackillop's reflective saying for this week is:

God loves us all. 2.9.1906

Dear Parents and Carers,

I want to extend a huge thank you for the support from our parents, community members, staff, and students at various events and functions this term. Teamwork is the ability to work together toward a common vision, and our vision is the success and happiness of our school and students.

Swimming lessons will commence on Monday of week 2 next term. Thank you to the Federal Government for their support of this activity through the successful application of the National Sporting Schools Grant. Our students will be swimming each week as part of their physical education unit of work. More details will be shared at the beginning of next term.

As you are aware, I have been Acting Principal this term in Mrs O'Rourke's absence. It has been such a wonderful experience to be in this role this term. I am looking forward to returning to the P/1/2/3 classroom as teacher next term when Mrs O'Rourke returns. Sadly, that means we have to say goodbye to Miss Curtin, who is off on a new adventure - teaching Year 2 at St Thomas More's Toowoomba. We have loved having you as part of our school at St Maria Goretti, and wish you the best of luck in your career. I know that you have many exciting and rewarding things ahead of you.

Enjoy time spent with your family and friends these holidays, I will see you again in Term 4.
