Mary Mackillop's reflective saying for this week is:

Our good God sees the heart. 11.10.1871

Dear Parents and Carers,

What a very successful night we had at our Cent Sale last Saturday. Huge thank you must go to the following people:

- # Sara Price as chief organiser
- # all parents who contributed in any way to the night
- # our staff for their commitment to the school and its activities
- # our students who helped on the night
- # businesses that donated the amazing prizes
- # our wonderful Inglewood community for your support on the night.

THANK YOU!

NAPLAN has been in the media over the last week with the announcement of the results for this year. It is controversial between paper and pen and online results, and poses lots of questions which will need to be addressed. Having an initial look at some results already for our school our students have performed well. Once we have the results we will be analysing them to look at what our needs are, for our students, to put into teachers' planning for term 4. Student results for parents will hopefully be given to you during September.

Recently teachers have been conducting reading assessments. We are very proud of our students and their results. I have put some information in the learning news this week. Well done, students!

We held our Prep Information session last evening which was attended by some prospective families. If you know someone who missed the session, please let us know and we will make contact with them.

Thank you to the Police for their generous donation of \$400 from the Blue Light Disco held last term.

Congratulations to our St Mary's Shield soccer team who have taken out the shield this year. They had four wins, one draw and two losses which was a great result. Well done to all players on their stupendous effort and skill on the day.

Congratulations to Kaylah and Erin who attended Darling Downs Track and Field in Toowoomba on Tuesday. For both students, this was their first time at this level and it is to be commended. Both students competed well achieving close to PB results.

School Photos is Monday, 10th September. Students will need to wear summer formal uniform with navy blue socks and black shoes. Photos will be taken first thing Monday morning. Forms can be returned to the office all next week.

Teachers will be organising parent teacher interviews soon. Please complete the form and return ASAP so that you get the time slot that suits you.

Lastly, but certainly not least, Happy Fathers' day to all our dads, grandads, uncles and father figures. We hope that you have an enjoyable day with you children.

This week's reflective quote is "We must teach our children to dream with their eyes open." Harry Edwards.

In God's love

Paula

What do you think God is asking of us in Australia at this time?

Have your say about what you think church in Australia should look like. Information can be accessed from www.plenarycouncil.catholic.org.au and this week you might like to check out the following clip <https://www.youtube.com/watch?v=exNXH2YcB8Y&feature=youtu.be>

This is the first time in history that we are able to have our say about what should be happening in the church.

St Mary's Shield

Stay Strong

We are all affected by this terrible drought in some way or another but we also know that there is so much value and power in sticking together and helping people up in these horrible times of need.

So we've come up with a little idea and we will be putting together little care packages and hand delivering these around our communities and surrounding areas in the coming months.

Please find our page on FACEBOOK - Stay Strong Drought Relief for more information on this wonderful cause.

You can also contact Alana on 0416 205 687 or Penney on 0428 490 687 if you have questions.
